Competitive Cheerleading - Full Implementation

Winter 2014-2015 Season

In an effort to assist NYSPHSAA member schools with questions and concern pertaining to competitive cheerleading, please reference the topics and information included in this document. For additional information, please contact Todd Nelson, NYSPHSAA Assistant Director, at: tnelson@nysphsaa.org/518-690-0771

Traditional Cheer vs. Competitive Cheer:

The NYSPHSAA Cheerleading Committee is recommending any Cheerleading Squad that **stunts or tumbles (see definitions below, as per AACCA)** be considered a Competitive Cheer Squad and would be subject to all SED and NYSPHSAA rules and regulations. A team that does not stunt and tumble would be a traditional squad and NOT subject to SED and NYSPHSAA rules and regulations. This will be clarified by the NYSPHSAA Executive Committee in October 2014.

- **Stunt:** One or more persons supporting one or more top persons off of the ground.
- **Tumbling:** Gymnastic skills that begin and end on the performing surface, including rolls, inverted extended skills (cartwheels, handstands, walkovers, handsprings, etc.), aerials, twists and flips. NOTE: Jumps, leaps and side rolls on the performing surface are not considered to be tumbling.

NYSED Regulations:

All SED regulations (Age, Grade, Bona Fide Student, Duration of Competition, Health Exam, etc.) will be followed along with the regulations listed below:

- **Mixed Competition:** Will be outlined by SED in the Fall 2014
- **Selection Classification:** Will be outlined by SED in the Fall 2014. Gymnastics standards have been recommended by the NYSPHSAA.
- **Coaching Certification:** All Competitive Cheerleading coaches will have to have the following to be certified coaches for the 2014-15 winter season as per SED regulations: **All non-certified teacher coaches will have to apply for a temporary coaching certificate. Any outside clinician that works with a team more than 5 days during the season will also have to apply for a temporary coaching certificate.**
 - First Aid and CPR/AED
 - Fingerprinted
 - Child Abuse Course
 - Violence Prevention Course
 - Concussion Management Course
 - DASA Training (if applying for a temporary coaching license)
 - AACCA Safety Course (this is being recommended by the cheerleading committee and will be voted upon by the Executive Committee in October)
 - All non-PE coaches will have to begin to take the three required courses (Philosophy and Principles of Coaching (first year), Theories and Techniques (by 3rd year) and Health Science (by 3rd year).

NYSPHSAA General Eligibility:

All current NYSPHSAA eligibility rules (including the transfer rule) will be enforced for all Competitive Cheerleading Squads. Two of those regulations are highlighted below:

- **Fall Cheerleading and Winter Cheerleading:** The Cheerleading Committee is recommending that students/teams be allowed to compete in both seasons because of well-established league and sectional events. The NYSPHSAA Championship events would be held only in the winter season. The Executive Committee will vote on this recommendation in October.
- **Interstate Sanctioning:** Teams will have to follow the sanctioning process if they are attending an out of state event or hosting an event that has out of state schools competing. NY Schools may only compete against member/approved schools.

NYSPHSAA Competition Standards:

Sections should be prepared to vote on the following Competition Standards for the sport of competitive cheerleading at the October Executive Committee meeting.

- **Minimum Practice Requirement:** 10 team/8 individual
- **Representation:** minimum of 2 required competitions before post season. Note: *The 2014-2015 NYSPHSAA Invitational(s) will not be considered post-season.*
- **Maximum number of Contests:** 12
- **Nights Rest:** 1 night per competition. Note: *Cheering or performing during a sport event is not considered competition.*
- **Spirit Standards:** NFHS Spirit Rule Book
- **Limitations per Day:** 1 competition per day
- **Competition Standards:** Routine – 2 minutes and 30 seconds must include Cheer and Dance
- **Judges:** Minimum of 3 judges and 1 safety judge per competition
- **NYSPHSAA Divisions and Classes:** 2 Divisions (I/II), small class and large class in each division. 1 co-ed division.

NYSPHSAA 2014-2015 Cheerleading Invitational:

The NYSPHSAA will host three invitational events during the winter 2014-2015 season. These events are considered regular season events and not post season events.

- February 21, 2015 – Albany (Section 2) area (tentative)
- February 28, 2015 – Long Island (Section 8/11) area (tentative)
- March 7, 2015 – Rochester Institute of Technology (Section 5) – Confirmed

NYSPHSAA 2015-2016 Cheerleading Championship:

The Cheerleading Committee is recommending a NYSPHSAA Championship Event of the Winter 2015-2016 school year. Teams would qualify for the championship event through a process established by the Section.

The Cheerleading Committee is recommending the following qualifying process and championship format:

- **Qualifying Process:** *Each Section would send the winner of each class to the Championship event. A maximum of 10% of the teams competing in each class would qualify for the championship event. A Section could be more restrictive and only send the winner of each class to the championship event.*

- *Format: Each class would have a preliminary and finals round at the championship event. Final format will be recommended by the Cheerleading Committee and sent to the Championship Advisory Committee.*

Sections should be prepared to vote on the following items at the October 23, 2014 Executive Committee meeting:

- **NYSPHSAA Traditional vs. Competitive definition**
- **AACCA Safety Course required for all Competitive Cheer coaches**
- **Participation in both Fall Cheerleading and Winter Cheerleading**
- **All NYSPHSAA Competitive Cheer Standards (see above)**
- **NYSPHSAA Invitational events for 2014-2015**
- **NYSPHSAA Championship Event for 2015-2016**
- **Qualifying process for Championship Event**

Proposed Classes for upcoming year: AA, A1, A2, B1, B2, C1, C2, D

Changes in Policy/Practice for the upcoming season

With the State moving the starting date for winter sports season to Nov. 10, dates for sectional, regional, and state playoffs have been moved accordingly. The last week of the regular season will fall into what is "February break" for many schools. Playoff games will follow the week of Feb.23, with semi-final's and finals moved to the week of March 2.

A change in playoff "rotation" for each Class that began last year will continue. This year, the AA schools will be the group that is "split", playing Tues. and Wed. nights.

Also, with the state moving playoff dates by a week, we may have more freedom at Buff St. to move game times, allowing for earlier start times and/or more time between games to accommodate for games that go over the 90 minute time slotted for each game.

Lastly, Jamestown Comm. College may be used for girls basketball Sectional semi-finals and finals, joining the boys at that site. Having said that, times and dates may change from above as we work with the girls committee to get suitable times and dates for all schools involved.

Rule Changes for 2014-15

Similar to what the college game changed to last season, there will be a major emphasis on keeping hands and arm bars off of ballhandlers in the open court. This is done to allow better freedom of movement for offensive players, less "clutching and grabbing". The rule is supposed to be strictly enforced – I will be going to officials meetings to emphasize that point. It will change the game significantly, especially if coaches don't adapt to it. There will be plenty of foul calls until teams change to fit the rule.

Other Pertinent Data

Rick DeKay and Pete Weishan will be leaving the committee, but will still be involved by helping run the semi-finals and finals at Jamestown Community College during playoff week. Dave McCann of Ellicottville and Brian Koscielniak of Salamanca will be taking their places respectively. I will submit their personal information (email, phone numbers, etc) as soon as I get it from them. Loren Smith (Panama) will become the voting member for the CCAA league.

Number of Schools Participating/Sectional Alignments

- Three individual class championship meets (A, B, C) will once again be conducted utilizing the same meet format as the 2014 season.
- Classes may need to be adjusted based on the most recent BEDS report. An attempt will be made to equalize the three classes.
- The following week, a separate sectional final championship meet will occur to finalize state qualifiers.

Changes in Policy/Practice for the upcoming season

- Sectional qualifying times will once again be studied and adjusted as appropriate but times are anticipated to remain the same as the 2014 season.
- A proposal has been submitted to the NYSPHSAA (jointly by both girls and boys committees) to allow swimmers and divers to compete in the same number of competitions as winter and

outdoor track & field athletes. Under competitions, 16+ would be listed instead of 16. **The proposal was approved 7/30/14.**

- This change pertains to NYSPHSAA sanctioned meet
- The + indicates the maximum number of contests in which an individual competitor may participate, not the team
- 16+ meets equals the total number of meets that a swimmer or diver may compete in for competitions
- Example: If a diver swims in a meet (and does not dive for some reason), this counts as one of the competitions.
